

2021 IEEE CIS Summer School on Emerging Research Trends in Artificial Intelligence and Computational Intelligence November 15-19, 2021

2021 IEEE CIS Summer School will be held (Online mode) at National Institute of Technology, Arunachal Pradesh, India, on November 15-19, 2021. This summer school is meant for researchers all over the globe interested in the areas of artificial intelligence and computational intelligence, machine learning methods/ algorithms, signal processing theory and methods, and applications to human brain disorders like epilepsy, Alzheimer's, sleep disorders etc.

Committee of CIS SS 2021

Patron

Prof. Pinakeswar Mahanta,
Director, NIT Arunachal Pradesh, India

Honorary Chairs

Prof. P. N. Suganthan, NTU, Singapore
Prof. C. T. Lin, UTS, Australia

General Chair

Dr. Deepak Gupta, NIT Arunachal Pradesh, India

Organizing Committee Member(s)

- Dr. Rajat Subhra Goswami, NIT Arunachal Pradesh, India
- Dr. Koj Sambyo, NIT Arunachal Pradesh, India
- Dr. Mukesh Prasad, University of Technology Sydney, Australia
- Dr. M. Tanveer, IIT Indore, India
- Dr. Sonali Agarwal, IIIT Allahabad, India
- Dr. Sikdar Md S. Askari, RGU, India
- Dr. Nidhi, Delhi University, India

Publicity Chair(s)

- Dr. Argha Sarkar, Vishnu Institute of Technology, A.P., India
- Dr. Parashjyoti Borah, Siksha 'O' Anusandhan University, Odisha India
- Mr. Umesh Gupta, Bennett University, India
- Mr. Mukesh Kumar Singh, IMSEC, Ghaziabad, India

Student Organizing Member(s)

- Barenya B. Hazarika, NITAP, India
- Usha Mary Sharma, NITAP, India
- Chittabarni Sarkar, NITAP, India
- Sujit Biswas, NITAP, India
- Upendra Mishra, NITAP, India

About Summer School (Online mode)

The main objective of the summer school is to understand the importance and relevance of Artificial Intelligence (AI) and Computational Intelligence (CI) among the community of young researchers and to acquire transversal skills in the wide range of different application development. This summer school is not only offering the lectures but also provide a wonderful opportunity for young researchers and students to participate in the interactive session for building their confidence and knowledge. Several well-known and renowned speakers of this field will exchange their learning, research ideas and hands-on training among the summer school participants that will be helpful in the future of research direction. The attractive feature of this summer school is to contribute the knowledge by following the recent advancement of computational technology with different application domains.

About NIT Arunachal Pradesh, India

The National Institute of Technology, Arunachal Pradesh was established in the year 2010 by MHRD, Govt. of India and was inaugurated on 18th of August, 2010 as a member of a group of ten new NITs. All new NITs were established as centres of excellence in technical education to combat the growing need of technological professionals in India as well as in the world. It is one of the 31 National Institutes of Technology in India and is recognized as an Institute of National Importance. The Institute has thrived through rigorous challenges and has evolved to see the new heights with present capacity of 760 students pursuing various bachelor, master as well as doctorate degrees from the departments. The faculty and student of the Institute are involved actively in various R&D projects sponsored by various Government agencies and the current value of such running project is around 5 Crores for 25 projects. NIT Arunachal Pradesh participated in the NIRF 2021 and ranked 160 in the Engineering category. NIT Arunachal Pradesh is surrounded by Lush green forest and mountains. The area is picturesque and surrounding makes it ideal for a nobel academic environment. Read more at <https://nitap.ac.in>.
